PRAGUE CHEMICALS MANAGEMENT CRUISE

1st DAY Networking with lightning presentations

Afternoon full of short speeches on hot regulatory topics, followed by networking dinner with a boat cruise through the heart of Prague.

LAST YEAR EXPERIENCE

"I like choice and venue and the list of participants. Particularly liked the round tables and discussion of their pressing problems."

E. Nezlubina

Department of oil, petrochemicals and chemicals export

"Careful selection of speakers ensured the high level of the event. This was an excellent opportunity to meet with real REACH experts who shared their experience in meeting the requirements of the Regulations."

M. Pavlova
Deputy Head of Directorate

2nd DAY ConverStation: Experience sharing-round table

Select from the menu of hot topics and exchange experience with professionals around the tables.

This unique discussion format, facilitated by Peter Woodward, is what makes PCMC exceptional. The discussions are intensive, focused, with real-life stories.
